Lucas Eustache

PhD in Management and Information Systems
Paris Dauphine – PSL • DRM • Governance & Regulation Chair
Paris, France | lucas.eustache@dauphine.eu | Website | GitHub | Google Scholar | LinkedIn

Research Focus

- Information systems and data governance
- Digital platforms and ecosystems
- Digital regulation and information infrastructures

Academic Appointments

ATER (Temporary Teaching and Research Associate) *2025 – Present*
PSL University • Paris, France

Education

PhD in Management *2026*
Paris Dauphine – PSL University

Title: *Governing Data Sharing*
Supervisor: Eric Brousseau
Reviewers: Cécile Godé and Pierre-Jean Benghozi
Defended on 9 October 2026

Master 2 in Public Policy *2022*
Paris 1 Panthéon-Sorbonne • Paris, France

Master 1 in Economics *2021*
Toulouse School of Economics • Toulouse, France

Bachelor in Economics *2020*
University of Lorraine • Nancy, France

Bachelor in Public Law *2020*
University of Lorraine • Nancy, France

Teaching

Annual hours in tutorial equivalents (équivalent TD). CM: lecture; TD: tutorial.

Course	CM / TD	Hours eq. TD / year	Years	Responsibility	Language	Institution
Master 2						
Management des systèmes d'information	CM	36	2026	*Création du cours*	Anglais	PSL (Paris School of AI)
Ecosystème Data et IA	CM	13.5	2026	*Création du cours*	Français	Paris Dauphine PSL
Master 1						
Knowledge Management	CM	18	2025	—	Français	Dauphine Tunis
Stratégie à l'ère du numérique	TD	27	2023 · 2024 · 2025 · 2026	*Coordination du TD*	Français	Paris Dauphine PSL

Bachelor, year 3 (L3)						
Stratégie	TD	18	2025	—	Français	Paris Dauphine PSL
Théorie des organisations	TD	18	2024	—	Français	Ecole Polytechnique
Bachelor, year 1 (L1)						
Economie	CM	36	2025-2026	—	Anglais	PSL (Paris School of AI)

Research

Working papers

Cultivating Sustained Use in Public Data Infrastructures
Single-authored

Channel Composition: A Measurement Theory for Digital Trace Data
with Paul Favier

Revised version of "Behind the Content: Wikipedia Mobile Views and Tourism Activity", presented at AIM 2026.

Submission in progress to Journal of Information Technology (JIT) — FNEGE 2025: 1; AJG 2024: 4
Earlier version (arXiv)

Data liquidity and data market organization
Single-authored

Local Adaptation and Data Interoperability in Disaster Response
with Anouck Adrot and Salomé Ritouret

The Economics of Data-Sharing: An Empirical Investigation of Data Sharing Ecosystems
with Eric Brousseau and Joëlle Toledano
Published in the ICIS 2025 Proceedings.
Paper (AIS eLibrary)

Academic conferences

Pre-ICIS 2026 — SIG Data Inaugural Workshop
13 December 2026 · Lisbon, Portugal
Local Adaptation and Data Interoperability in Disaster Response
Lucas Eustache, Anouck Adrot, Salomé Ritouret

AIM 2026 — 31e conférence de l'Association Information et Management
2026-05 · Neuchâtel, Switzerland
Behind the Content: Wikipedia Mobile Views and Tourism Activity
Lucas Eustache, Paul Favier
Preprint (arXiv)

ICIS 2025 — 46th International Conference on Information Systems
2025-12 · Nashville, USA
The Economics of Data-Sharing: An Empirical Investigation of Data Sharing Ecosystems
Lucas Eustache, Eric Brousseau, Joëlle Toledano
Paper (AIS eLibrary)

EGOS 2025 — 41st Colloquium of the European Group for Organizational Studies
2025-07 · Athens, Greece
Local Adaptation and Data Interoperability in Disaster Response
Lucas Eustache, Anouck Adrot, Salomé Ritouret

AFREN 2025 — 11th Digital Economics Conference
2025-06 · Nanterre, France
Economics of Data Sharing: An Economic Analysis of Data Sharing Ecosystem
Lucas Eustache, Eric Brousseau, Joëlle Toledano

Workshops and seminars

ARCEP Internal Academic Seminar
2026-02 · Paris, France
Governance Models for Data Sharing

KU Leuven CiTiP Research Seminar
2025-11 · Leuven, Belgium
The Economics of Data-Sharing: An Empirical Investigation of Data Sharing Ecosystems
Lucas Eustache, Eric Brousseau, Joëlle Toledano

IOEA 22nd Session
2025-05 · Cargese, France
The Economics of Data-Sharing Ecosystems: An Empirical Investigation Through the Lens of Platform and Ecosystem Theories

3rd UK Workshop on Digital Economics
2024-11 · London, United Kingdom
Data liquidity and data market organization
Lucas Eustache

LINC Seminar (CNIL)
2024-06 · Paris, France
Economics of Data Ecosystem

IOEA 21st Session
2024-05 · Cargese, France
Models of Personal Data Regulation: Empirical Analysis of European, Chinese, and American Models

IOEA 20th Session
2023-05 · Cargese, France
Open Data: Analysis of French Municipality

Research internship supervision

M1 IASO / IA et société (AI and Society) *2026*
PSL Paris School of AI
Supervision and coordination of a research internship on automating the categorization of personal-data regulatory texts.

Science dissemination

Professional conferences

Gaia-X Summit 2026
19–20 November 2026 · Vienna, Austria
Scheduled participation.

OECD: From scraping to ethical sharing
2026-05 · Online

Gaia-X Summit
2025-11 · Porto, Portugal

Sustainable Development of Data-Sharing Ecosystems: Challenges and Turning Points
2025-09 · Paris, France

Gaia-X Hub France Plenary Session
2025-03 · Paris, France

Gaia-X General Assembly and Summit
2024-11 · Helsinki, Finland

Data-Sharing in Europe: The Implementation Challenge
2024-09 · Paris, France

DSSC Data Spaces Symposium
2024-03 · Darmstadt, Germany

Data Sharing in Europe: DGA and DA, from Legal Consensus to Implementation
2023-09 · Paris, France

Media

Partage des données agricoles : du tracteur au serveur, comprendre l'expérience d'Agdatahub
Lucas Eustache · The Conversation · 2025

Academic Service

Research community activities

Co-convenor, "Digital Activities" working group
Governance & Regulation Chair · With Damien Mayaux
Approximately two research seminars per month on digital regulation, governance, and platform-related public policy. Seminar programme.

Conference organization *2023 – 2025*
Governance & Regulation Chair · University Paris-Dauphine – PSL

- Data Sharing in Europe: DGA and DA (2023).
- Data-Sharing in Europe: The Implementation Challenge (2024).
- Sustainable Development of Data-Sharing Ecosystems: Challenges and Turning Points (2025).

Academic representation

Elected PhD representative, DRM Council *2023 – Present*
Dauphine Recherches en Management · University Paris-Dauphine – PSL
